- **ML240LRG:** 50mmH x 228mmW x 168mmD

Hardware Provided

- 4x Wall Plugs
- 4x Screws
- 4x Screw Cover Caps *ML240LRG only

Before Installation

- Inspect the product. If there is any damage or missing parts, do not install the product and contact your place of purchase.
- Ensure the surfaces you wish to mount the basket to are flat.
- Ensure the surfaces you wish to mount the basket to are either solid or have adequate in-wall support.

Installation Instructions

Placement may be subject to regulations/codes and architectural drawings. Correct positioning is the responsibility of the installer.

- Place the basket in the corner of two walls at the desired height and mark the locations of the mounting holes, checking that the basket is level.
- Install four suitable fasteners into the wall at the marked locations and mount the basket.
Apply neutral cure silicone around the fixings to avoid water ingress.
- Test basket for correct operation.

Technical recommendations and installation advice from Metlam Australia Pty Ltd are general in nature and provided in good faith without warranty. Metlam disclaims all liability for errors, omissions, or damage resulting from improper installation or maintenance. All products must be installed by qualified tradespeople and maintained by competent personnel. It is the installer's responsibility to conduct thorough pre-installation assessments; Metlam Australia will not enter into post-installation disputes regarding positioning, functionality, or external factors affecting performance.
