

PARKER RANGE SIMPLICITY MEETS SOPHISTICATION

Bathrooms are no longer purely functional—they are an integral part of the overall design experience.

The Metlam Australia Parker Range brings contemporary elegance to commercial washrooms with its sleek curved edges and refined, modern form, helping architects create sophisticated, high-end spaces.

Available in Designer Black, Graphite and Polished Stainless Steel, with Brushed Gold and Satin Stainless Steel available as special order finishes, the range offers flexibility to complement a wide variety of bathroom design styles.
